

NUS Department of Architecture Industry Networking Sessions

Aims

1. Recruitment of graduating students into local practice ie. Resume and portfolio submissions.
2. Comparing personal career goals with visions and practices in local firms.
3. Create opportunities for lower years to obtain internship positions.
4. Opportunity for current students to interact informally with seniors who already have some work experience.

Format

NUS extends its invitation to local architecture firms, of various sizes, to take part in these Industry Networking Sessions.

The duration of each session is 1.15 hours

NUS proposes that the representative from the firm begins the Sharing Session with a short introduction on the firm's visions and practices (10-15 min) before proceeding to a Q&A, where students are free to ask questions. Preferably, the representative from the firm can be an ex-student in architecture in NUS.

To foster an informal and more interactive session, each session will be opened to 30-40 students.

Exhibition

In conjunction with these networking sessions, a small exhibition will be held at the School for participating firms to showcase their works.

Each firm will be allocated a display board, allowing up to 6 A1 (portrait) posters.

Venues

These workshops can be conducted at the Student Lounge (end of Level 2 Studio).

Duration

NUS hope to organize these Sharing Sessions from 3 Feb – 5 March 2009.

The time slots are indicated in the registration form (page 2)
